

TEXT HISTORY CHART

You will need to start printing text messages between yourself and your spouse, and chart them for pertinent information, or bad behaviors by your spouse.

We have added a couple lines in each chart as samples. Please delete these before you begin working on your charts.

Date	Page #	Summary of Text	Additional Information	Text attached as #
Jan 01, 2010		Have you made the car payment	Joe ordered to make car payments Car payment not made, sent text to Joe no response, called Joe, no return call.	Text attached as Text #0001
Jan 02, 2010		Joe, I just got a letter from the bank that they are going to repossess my car if the payment is not made. Please let me know you will make the past due payments	<u>RESPONSE:</u> The Order only says I have to make timely car payments. It doesn't say when. I'll make it when I make it.
